COMMUNICATION RE ERRONEOUS OFFICE ACTION

Dear Sir:

Counsel for applicant received an erroneous Office Action, dated September 27, 2006. It is obvious that the action does not apply to the present application and it was meant for another application but the serial number and filing date of the present application were inadvertently applied. The Examiner telephoned George Gerstman, counsel for applicant, and stated that the action would be withdrawn. However, so far as counsel is aware, the action has not yet been withdrawn and therefore this communication is being sent to request the action to be withdrawn as soon as possible.

Respectfully submitted,

SEYFARTH SHAW LLP
